The form submitted is acceptable.

Chairman Foreman and Ms. Mitchell: Attached is the form of sign notice SWTC would propose physically to post at the locations discussed at the March 9 pre-filing conference, i.e. at the proposed point of interconnection with the existing SWTC line; both directions on River Road; three times on the proposed route on the BHP property; and both directions on Redington Road. The size of the sign would be 24x18 inches, which is consistent with posting sizes SWTC has done on previous Siting Committee Cases. I would note that posting on Redington Road is subject to securing the necessary permits from ADOT. Please let me know if this form is acceptable. I will file this communication and your response with Docket Control. Thanks for your assistance. Mike
